Deposit Fee or a Credit Check is required for New Members

The deposit fee will be calculated specific to the location. The deposit will equal two times the 12 month average at that location, with a minimum fee of \$100.

In order to waive the deposit, our office can run a credit check. To do this, please call us at 800-477-2892 and provide your social security number.

All this information needs to be received before your service will be energized.
